## WHAT IS THE COOPER TROOPER FOUNDATION

The Cooper Trooper Foundation is a 501c3 non-profit foundation committed to enhancing total family treatment in battling childhood cancer in two tangible ways:

1. Distribution of FREE Courage Kits to the well siblings of children diagnosed with cancer, as they are the "Heroes in the Shadows".
2. Financially investing in the Cooper Trooper Foundation Pediatric Cancer Research Endowment Fund, which is set up at Monroe Carell Jr. Children's Hospital at Vanderbilt.
